

**THURSDAY FEBRUARY 20TH, 2014, APPALACHIAN
MOUNTAIN CLUB PRESENTS A TOUR OF BAXTER
STATE PARK WITH NATURALIST JEAN HOEKWATER**

Join Park Naturalist Jean Hoekwater for a visual exploration of recreational opportunities and popular trips in Baxter State Park, including backcountry locations as well as short day hikes. Along the way, Jean will share ideas for experiencing the Park's beauty with friends and

families of all ages and abilities. Jean will introduce some of the wildlife and plants visitors can hope to encounter in the Park's array of natural communities and will share tips on how visitors can help the Park in their preservation efforts. There will be plenty of time left for questions at the end for those planning their 2014 visits to the Park!

Jean has been coordinating Information/Education efforts at Baxter State Park since 1988. Following an internship in the Park, she guided on Maine rivers, worked for The Atlantic Center for the Environment and the A.M.C. at Pinkham Notch Camp prior to returning to work with the visitors and staff of Baxter in her current position.
