Looking for an evening adventure into the North Woods?
Join the first female through-paddler of the 740-mile Northern Forest Canoe Trail as she reflects on 10 years of paddling along its waterways.

Nicole Grohoski of Ellsworth will share a short, home-grown film about her 2006 trip as well as photos and stories of times along the trail since that epic paddle. Come and learn more about this amazing paddling resource, 347 miles of which cross some of the most spectacular waters of Maine.
