**Monday, December 17, 2012 6:00 PM**

Gililand Farm Audubon Center, 20 Gililand Farm Rd, Falmouth, Maine

On Monday, December 17, 2012, the Maine Chapter of the Appalachian Mountain Club will present a Winter Outings Skills Workshop at the Gililand Farm Audubon Center in Falmouth. Join experienced winter leaders Peter Broderick and Laura Flight for this intro to clothing, gear, snow travel, hiking techniques, and taking care of yourself in the winter. Learn to stay warm, dry, and functional. This workshop is intended for experienced three-season trampers who would like to take the plunge into that fourth season- winter. Anyone interested in winter outings (such as nordic types) will benefit from this workshop. Experienced winter trampers will also learn a few tricks of the trade. It will be an excellent "things-you-need-to-know-before-you-go" for anyone hiking this winter. This event is free and open to the public.
