On Tuesday, December 7, 2010, the Maine Chapter of the Appalachian Mountain Club will present a Winter Hiking Skills Workshop. Join experienced winter leaders Peter Broderick and Laura Flight for this introduction to clothing, gear, hiking techniques, and taking care of yourself in the winter. This event is intended for all hikers, rookie to experienced, and is an excellent "things-you-need-to-know-before-you-go" for anyone who will be outside this winter. Attendees will also learn about the Maine Chapter's Winter Series with beginner hikes, advanced hikes, and cross country skiing for all abilities. This event is free and open to the public.
