

WINTER HIKING IN BAXTER STATE PARK

Wednesday, April 29, 2009

85 Summer Street, Hampden

Potluck Dinner at 6 pm, Presentation at 7 pm

AMC Maine Chapter leader Spencer Meyer will share his experiences winter hiking in Baxter State Park on Wednesday, April 29, 2009 in Hampden, ME. The Katahdin summits are rare territory for all but the sturdiest hikers in three seasons; hiking in Baxter in winter requires a higher level of physical ability and mental toughness. Many of Spencer's trips were part of the Maine Chapter's Winter Hiking Series, so join us to experience winter hiking vicariously from the comfort of a chair. Expect Spencer to present excellent photographs and intriguing stories of the stunning beauty and rugged challenges of Maine's greatest state park in winter conditions. This event is free and open to the public. Please contact Jeff Aceto at 207-650-5674 or acetojt@suscom-maine.net to RSVP.
